

WHY CHOOSE OUR PHARMACY!!

Plymouth City Pharmacy is a great place for family and friends to come together for their medication needs. This private pharmacy offers a variety of prescription medications and over the counter medications covered by many insurances. At Plymouth City Pharmacy, we care about our customers and their necessities for a healthy and strong lifestyle. The prices are very compatible. We can match or beat our competitors' prices. We offer free medication delivery services where applicable. We also specialize in ADHD and child/adult behavioral medications and Medication Therapy Management. If you go to Plymouth City Pharmacy, you are bound to be in good hands for a fit and wholesome life. Our pharmacist has over 22 years of experience in retail pharmacy and is involved in community activities. Our main goal is to educate our customers about improving their health and well-being with the help of needed pharmaceuticals.
